

Dear Wooden Spoon Partner Club

As you may be aware Wooden Spoon are a valued partner of Samurai Sportswear, a relationship which sees Samurai provide the Wooden Spoon Marauders with on and off field kit for the 7's circuit and saw the team lift the Kinsale 7's Elite Trophy wearing the Samurai Iconix rugby jersey.

Samurai recognise and admire the work Wooden Spoon do for disabled children across the UK and Ireland, we also realise it is not possible without the support of the rugby community who since 1983 have helped Wooden Spoon award more than £23million pounds to projects including sensory rooms, hydrotherapy pools, therapy centres and other facilities for disabled children.

To help your clubs ongoing support of Wooden Spoon we are offering a 10% discount to all partner clubs, with the saving being applicable on all purchases made through one of our Account Managers.

To claim your discount simply contact us on the details below and your local account manager will be in touch to discuss your requirements.
