

Gloucester Rugby Beach Weekender

On Behalf of Wooden Spoon Wiltshire

We are fortunate to be working alongside Gloucester Rugby again this year at the Gloucester Quays Beach Weekender .

Our event is set for Saturday 26th August and are seeking involvement with clubs able to provide a combined U9/10 age group or / and at combined U11/12 level (Next Season's Age Groups). We are holding alongside Gloucester Rugby a Touch Rugby Event on a Beach Pitch on The Quays.

We are looking for expressions of interest from 5 clubs at U9/U10 level and a similar number of clubs at U11/U12 level.

Event Timetable

10am - 12pm Round Robin fixtures (combined squads of Next Season's U9/U10 squads)

12pm -2pm Attendance by members of Gloucester Rugby

2pm - 4pm Round Robin fixtures (combined squads of Next Season's U11/U12 age groups)

Given pitch size we will be looking at playing 5/6 a side with rolling substitutes so would suggest squad sizes of 10.

We will be looking for players/squads to make donations to help raise monies for disabled & disadvantaged children and all involved should participate in a mindset of some pre-season fun/fitness and perhaps with a view to an opportunity to recruit some new players
